Ministry of St. Andrew’s Commons

The lawn of St. Andrew’s is the only remaining grass on Princess Street downtown. The congregation is committed to maintaining it for the common good, particularly for those without garden or even home of their own. To build relationship between the people of the congregation and the commons, the Session is inviting members to sign up to drop by the church once or twice a month on days of your choice and linger outside for an hour, to provide a ministry of presence and relationship.

Breakfasts on the Lawn

This was a new initiative of last July, answering a call to be St. Andrew’s beyond the sanctuary, and to share God’s love by sharing company and a meal with others on the lawn. Would you be willing to help co-ordinate another series of Breakfasts on the Lawn, July 9,16,23&30? Sign up in St. Andrew’s Hall.

Famine Relief Appeal

An unprecedented food crisis has gripped several nations across Africa, including Sudan, Nigeria and Somalia. The Government of Canada is matching all contributions to PWS&D designated ‘Famine Relief’ until June 30. Our offerings will support work through the Canadian Foodgrains Bank in the area.

A prayer by Carol Penner

Thank you God for this piece of the world, a slice of land broad and wide, green from sea to sea, blessed with rivers and great lakes, wide skies and great forests, high mountains and gracious plains, beautiful from sea to sea to sea.

Thank you for letting us live in this land, even though we do not own it; this land is your land, which we use in trust for future generations.

Thank you for its rich history, which includes Aboriginal and Metis and Inuit peoples. Give us wisdom as we continue to work on issues of land use and ownership with these First Nations.

Thank you for our system of government, for the right to speak freely, and to elect our leaders. Thank you for the freedom of religion and conscience that we enjoy...

We want a country that is the best it can be, a home for all, welcoming refugees and newcomers, sharing this wealthy country with the world.

Bless our leaders, our Prime Minister and all members of parliament; guide their steps, and help us use our voice to guide them as they make difficult and far-reaching decisions.

We thank you for our home and native land, thank you for giving us a home here, where we live in peace and security. God keep our land, Canada, keep it strong and free, keep it safe and beautiful for future generations. Amen.
