### Bells of Peace

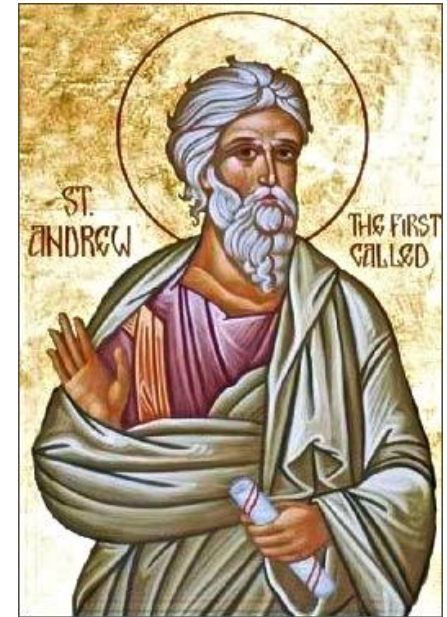

On November 11, at the going down of the sun, St. Andrew's will join churches and communities across Canada to mark the 100th anniversary of the end of the First World War with the ringing of bells 100 times. This emulates the moment in 1918 when church bells across Europe tolled as four years of war had come to an end.

If you would like to take a turn in ringing the bells of St. Andrew's at sunset on November 11, please sign on the bulletin board so John Hall can organize this. Note: this involves climbing the bell tower stairs!

### Pre-Authorized Remittances

November is the month we think about our stewardship for the coming year. Will you consider enrolling for PAR? Just call the church office to receive the brochure. You set the amount for a monthly offering, and you can change it at any time. Many households of the congregation have already enrolled and it has provided greater financial stability to our church ministries.
